Hello Rob,

We are focusing pretty much all of our efforts on working to meet the demand we are seeing for COVID testing kits as a priority at the moment, there is not specific pattern to our press releases but as and when we have material updates to issue, we endeavour to do so as swiftly as we can to keep the market updated.

Would you like to be added to our PR mailing list?

Thank you,

Subject: RE: Shareholder Question.

Sorry Mandy one last thing, Has there been a broker note issued on NCYT yet?

Thanks Rob
